Kerryn Krige, Gus Silber : The Disruptors: Social entrepreneurs reinventing business and society before purchasing it in order to gage whether or not it would be worth my time, and all praised The Disruptors: Social entrepreneurs reinventing business and society:

1 of 1 people found the following review helpful. Social entrepreneurs taking the lead in SABy CustomerThis book is a great resource for aspiring social entrepreneurs intent on solving local problems in creative ways. It looks at the possible motivation of social entrepreneurs, researchers in the field to assist with the structure of a social enterprise,

authors to highlight elements of social enterprises, and much on great change agents at work. 0 of 0 people found the following review helpful. Loved it, cried, laughed, encouragedBy CustomerI now know what I am and what the next chapter in my life is going to be, so encouraged by the pioneers in who's deep footsteps I will follow0 of 0 people found the following review helpful. I had heard about some of the people featured in ...By CustomerI had heard about some of the people featured in this book before, but the way their stories are written are so inspiring and the idea of changing the world and making a living from it made me want to become a social entrepreneur myself!

Can business change the world? Can the world change business?For a new breed of social entrepreneurs, striving to build and grow enterprises that fight social ills, foster opportunity, and help to improve society, the answer is not can, it's must.Impassioned by purpose, driven by dreams, emboldened by ideals, social entrepreneurs imagine a better way to a better world. And then they go out of their way to bring it to life. In the process, they shake the dust off old ways of thinking and disrupt the way business has always been done. In this book, brought to you by GIBS, a leading business school based in Johannesburg, South Africa, you'll get to meet The Disruptors.Through these tales of daring, struggle, triumph and innovation, you'll see the world through the eyes of a diverse range of social entrepreneurs, and learn their secrets for changing the world by changing business. From healthcare to mobile gaming, from education to recycling, from dancing to gardening, these are the game-changers, the difference-makers, the doers of good. Here are their stories.

About the AuthorKerryn Krige heads up the Network for Social Entrepreneurs at the Gordon Institute for Business Science in Johannesburg, which focuses on achieving both social and economic change through social enterprise. Krige has worked in the social sector since 2001 with numerous UK charities, and began her career as a journalist for business news channel Summit TV. She holds a Masters in Development Studies.Gus Silber is an award-winning journalist, editor, speechwriter and author, with a special interest in social entrepreneurship. He has penned several books, covering South African sociopolitical satire, innovation in business, entrepreneurship and mobile technology.
