Good book for those that have never been to or hosted a holiday party. It's your basic mind your manners, don't show your butt, don't double dip into the chip dip type stuff.

This little book had some good insights, but majority was basic knowledge on etiquette. Like don't get drunk at a party. I didn't really catch the "holiday" aspect of the book, it was just basically about your etiquette at dinner parties as a host or guest.
