M. Epstein : The Early History of the Levant Company (Routledge Revivals) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Early History of the Levant Company (Routledge Revivals):

The Levant Company in England was first established in 1592 to help regulate trade with Turkey and the Levant area.

Originally published in 1908, this study details the early origins of the company as well as providing information on surrounding issues such as the regulation of shipping, piracy and the officials of the company. This title will be of interest to students of history and business.
