Nigel Wyatt : The Financial Times Essential Guide to Budgeting and Forecasting: How to Deliver Accurate Numbers (The FT Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Financial Times Essential Guide to Budgeting and Forecasting: How to Deliver Accurate Numbers (The FT Guides):

0 of 1 people found the following review helpful. Skip this and get a real book. By mario candela You learn nothing from this book except that you wish you bought a book that included any tangible information. I also learned that I am glad that I do not have to deal with or understand UK currency. If you would like a book that deals with budgeting and forecasting, then get a real textbook that includes explanations and formulas, not this one. 0 of 1 people found the following review helpful. I thought it should have been more detailed with better illustrations. By Lugenia Lee Reddish It wasn't enough information to really learn the techniques. I thought it should have been more detailed with better illustrations. 0 of 1 people found the following review helpful. Five Stars By Amir habib Excellent

Gain the knowledge and confidence you need to build and manage budgets and forecast financial information. This book demystifies budgets and forecasts, providing simple explanations and clear examples. It includes integrated checklists, goals and milestones, to ensure you are on target to achieve the best results. Part of The Financial Times Essential Guides series: Task-focused and results-orientated, the essential guides are for every manager who wants to move their skills beyond the ordinary to the best.

From the Back Cover
"This is a practical book from which managers at all levels will benefit and learn how to avoid the pitfalls of budgeting and forecasting. A must read book."
Manjit Biant, management consultant
"Love them or hate them budgets are part of the corporate landscape. Nigel Wyatt's book makes a strong case that budgeting can still prove an invaluable tool for focusing strategic thinking and managing your business. The book gives some great tips and advice on how to use them and get the best from them."
Paul Lowern, FCMA, FInstLM, former FD and business coach
"This book is an excellent tool for those responsible for preparing budgets and forecasts. It will encourage the reader to take actions which will benefit their own organisation."
Juan Carlos Venegas ICPA CFC ICFS IPFM, accountant, forensic consultant, counter fraud specialist and fraud examiner
The task-focused, results-oriented guide to delivering numbers that add up.
The Financial Times Essential Guide to Budgeting and Forecasting will help you:
Understand finance and budgeting terms
Communicate more coherently and comprehensively with financially astute colleagues and stakeholders
Better understand the health of your business or business unit
Take a more proactive role in helping your business achieve its goals
Reflect on, evaluate and learn from your experience
With advice that's instantly applicable, whether you're taking responsibility for a budget for the first time or you'd like to know more about how finance works, this is the one guide you can't do without.
About the Author Nigel Wyatt has been running his own financial training consultancy - Magenta Financial Training since 1991. Nigel has worked with a wide range of organisations, including many blue-chip companies. In recent years he has worked extensively abroad, including India, China, Oman, Saudi Arabia, UAE, Kuwait and Jordan. Most of the training programmes Nigel delivers are aimed at non-financial managers.
