**From Palgrave Macmillan :** **The Future of Union Organising: Building for Tomorrow** before purchasing it in order to gauge whether or not it would be worth my time, and all praised **The Future of Union Organising: Building for Tomorrow**:

0 of 0 people found the following review helpful. Challenges for labour relations By Alejandra This book analyses one of the biggest challenges for labour relations. The Editor have selected a fine variety of authors for a good selection of chapters.

While 'union organising' has developed over time and in many different environments, it has become apparent that a number of key problems have developed. Evaluating its efficacy in terms of union strategies, tactics, styles and resources, this title outlines a number of strategies for improving these deficiencies.

About the Author GREGOR GALL is Research Professor of Industrial Relations and Director of the Centre for Research in Employment Studies at the University of Hertfordshire, UK. His previous work includes two edited volumes on union organising and books on postal workers, the labour movement in Scotland, sex workers, and finance workers. He writes regular columns for the Morning Star, Solidarity and The Guardian's 'comment is free'.
