From Palgrave Macmillan : The Global Gold Market and the International Monetary System from the late 19th Century to the Present: Actors, Networks, Power before purchasing it in order to gage whether or not it would be worth my time, and all praised The Global Gold Market and the International Monetary System from the late

19th Century to the Present: Actors, Networks, Power:

Using an inter-disciplinary and global approach this book examines the different roles gold played in the international economy from the late 19th century until today. It gives a complete and comprehensive overview of the many facets of the global gold market's organization from the extraction of this precious metal to its consumption.
