**Debra Shigley : The Go-Getter Girl's Guide: Get What You Want in Work and Life (and Look Great While You're at It)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Go-Getter Girl's Guide: Get What You Want in Work and Life (and Look Great While You're at It):

1 of 1 people found the following review helpful. practical, but also very close mindedBy CustomerI liked the book. However, some of the advice in it seemed like it was talking at you instead of helping you learn to think like it wanted you to. Also, the idea that someone has a drawer full of "supplies" will be considered a go getter girl wasn't exactly what i was looking for. I was looking for a better way to think positively and help work on things like help with fashion and those ideas i didn't seem to find in here. I do like some of the practical aspects when dealing with people's perceptions etc.0 of 0 people found the following review helpful. Wonderful guide for work and lifeBy Katrice J LeeI bought this book as I was preparing to start a new job and I'm so glad that I did! All of the advice Debra Shigley offers

is down to earth and practical enough to remember and use every day. "Twenty-One Pieces of Office Attire Every GGG Needs in Her Closet" - my new job was a promotion and the thing that worried me most about it was how I should dress. This was my shopping list, and it helped me to buy everything I needed for my new position. With the right clothes I can focus on my work without giving a second thought to how pulled together I look. Every other topic she covers comes into play in an office, but sometimes it is the strong foundation that prepares you to achieve your goals. 0 of 0 people found the following review helpful. MUST HAVE resource for ambitious women! By Rosalyn This book does not disappoint! A combination of practical advice and real-life stories from savvy successful women make this guide a unique and unduplicated resource for the Go-Getter Girl in everyone. Debra Shigley outlines everything from finding the perfect suit jacket and negotiating a raise to making the most out of your next job interview or networking event. She also includes an entire section on beauty advice and self-care, which sets this book apart from all the rest! If you are a woman striving for the top, meet your next go-to guide!

Every office has one - a Go-Getter Girl - someone who seems to just know certain stuff about how to get the plum jobs/lifestyle she wants and damn, always looks great while she's at it. Magic? No, it's about strategizing--and The Go-Getter Girl's Guide shows you how. Born out of interviews with hundreds of successful, stylish young women--including award-winning journalist Soledad O'Brien, Spanx founder Sara Blakely, and bestselling novelist Emily Giffin--The Go-Getter Girl's Guide provides a no-excuses, big-picture way of thinking about your life and career, as well as day-to-day strategies for how to:- Navigate the tricky terrain of office politics - Find and use a mentor - Figure out when it's time to get a new job (or career)-and have the courage to act - Dress (and groom!) for success - And take care of yourself physically and emotionally Combining the practical career wisdom of What Color Is Your Parachute? with the savvy fashion guidance of The Little Black Book of Style, this dynamite guide is sure to bring out the Go-Getter in generations of women to come.
