Leni Wildflower : The Hidden History Of Coaching (Coaching in Practice (Paperback)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Hidden History Of Coaching (Coaching in Practice (Paperback)):

0 of 0 people found the following review helpful. Both bold brilliant!By Angelos DerlopasA wealth of information structured to provide new coordinates for a choice of future perspectives. It's both bold and brilliant and written in the way books should be written...a real page turner experience serving to narrate the collective mindset

biography. Angelos Derlopas 2 of 2 people found the following review helpful. Hidden History By Quiet Traveler Leni Wildflower is a coaching master, extremely knowledgeable and an engagingly literate writer. This book is a must for coaches. 0 of 0 people found the following review helpful. Four Stars By Guillermo esponda It is missing a lot of important history of the 70s

This book draws links between early innovative thinkers and the ideas and philosophy of coaching, all to enhance coaching practice in action.

About the Author Leni Wildflower is a leading educator, author, and executive coach working in the US, UK, Europe, China and Latin America. She designed and delivered the ground-breaking programme in Evidence-Based Coaching, at Fielding Graduate University, USA.
