Dimitre Milkov, Rafael A Portillo, Plamen Iossifov : The International Financial Crisis and Global Recession: Impact on the CEMAC Region and Policy Considerations before purchasing it in order to gauge whether or not it would be worth my time, and all praised The International Financial Crisis and Global Recession: Impact on the CEMAC Region and Policy Considerations:

The financial sector of the Central African Economic and Monetary Community (CEMAC) has been seriously affected by the global financial crisis and resulting global recession. This note assesses the response of CEMAC governments to the global financial crisis and recession, with particular focus on the impact of current policies on each country's fiscal sustainability as well as the region's external sustainability and reserve coverage. The note

then provides general policy advice to CEMAC governments as they refine their response to the global crisis.
