**Daniel J. Pilla : The IRS Problem Solver: From Audits to Assessments--How to Solve Your Tax Problems and Keep the IRS Off Your Back Forever** before purchasing it in order to gage whether or not it would be worth my time, and all praised The IRS Problem Solver: From Audits to Assessments--How to Solve Your Tax Problems and Keep the IRS Off Your Back Forever:

4 of 4 people found the following review helpful. Must ReadBy Christopher AverettThis has been one of the most help and informative books I have ever picked up, even if your not having problems with the IRS this book is a must read. There is information in it that can prevent any tax problem before it ever gets started and as they say: If you don't know your rights, you don't have any. READ THIS BOOK!!!2 of 2 people found the following review helpful. BEST FIRST STEP to help you TAME THE BEASTBy Dr. R. G. LoveTHIS BOOK by Dan Pilla, is your BEST FIRST STEP to help you learn to tame the Beast and solve your problems with the IRS.You will learn things your Accountants don't want you to know, and you will discover that you can solve the problems you may have with the

IRS. Yes most of us do owe some taxes, but far too many of us are asked to pay more than what we truly owe. With This book Mr Pilla teaches you about the IRS work process and opens the curtains so that you can know how to respond to notices and to incorrect assessments and how to prepare appeals affidavits to argue your positions with the beauracracy. If you are reading this, BUY THIS BOOK AND READ IT AS SOON AS IT ARRIVES. I know it can help. It helped me. 2 of 2 people found the following review helpful. Five Stars By CustomerHas infor and letters you can use to help with IRS

Are you burdened with the tax debt of a current or former spouse? Have you just received an IRS computerized or "correction" notice? Are you in danger of having your property seized? Has your tax return been selected for an audit? Is the IRS knocking on your door? If you've answered "yes" to any of these questions, you're not alone: more than twenty-five million taxpayers are faced with the terrifying prospect of dealing with audits, assessments, or other IRS problems every year. But with all the books devoted to how to prepare your taxes, there's never been one that explains how to get yourself out of trouble easily, legally, and inexpensively -- until now. With *The IRS Problem Solver*, veteran tax expert Dan Pilla offers the first comprehensive guide to dealing with the most common IRS problems taxpayers confront, from face-to-face audits to fraud penalties. Pilla's book is an indispensable preventive tool for all who file their own taxes and a necessity for anyone who's just received a notice that the wolf is at the door.

From Booklist Who among us doesn't dread an envelope bearing the official Internal Revenue Service seal? Well, stop quaking in your mailboxes--Pilla, a tax litigation consultant (*How to Get Tax Amnesty*, 7th ed., 1998), is coming to the rescue again. Even though the IRS recently underwent a congressionally mandated restructuring, Pilla claims it won't be long before the government agency overcomes the improvements. Fortunately, he says, there are still many ways to fight back--and win--when faced with audits, letters demanding the payment of massive penalties, even levies or liens. He simplifies arcane language, underscores easy remedies (such as writing letters and photocopying all documents), and, best of all, showcases sample letters and supporting statistics throughout. With his nine secrets to handling an audit (from assuming you're right to preventing audit abuse), most taxpayers will not only regain possible assessments but also recognize that the IRS is no longer the all-powerful monster of taxpayers' nightmares. A great book for both individuals and business owners. Barbara Jacobs Copyright copy; American Library Association. All rights reserved About the Author Daniel J. Pilla has spent more than two decades as a tax litigation consultant. Pilla has played a key role in creating new taxpayers' rights and helping to change the face of tax-law enforcement in America. His previous books, including *How to Get Tax Amnesty*, have sold more than half a million copies. Pilla lives in Minnesota with his wife and four children.
