The Law of SuccessBy Big D of VAFFor anyone wishing to discover what it is that makes a successful person successful, and for anyone who desires to learn the skills that are able to be learned to become successful, this masterpiece of a book is absolutely essential. It is THE book to own and to start with on your road to coming to know the "How To" be a successful person - not just in business and for wealth but in life, relationships, etc. If you are serious about becoming the best in your field of business or

commerce you must have this book. It is the most complete layout of the plan for realizing your goals and dreams. It is down to earth, practical and chock full of the essential stuff without the fluff that passes as content in some modern 'self-help' books. For this price, you cannot go wrong. It is worth your first million!

The Law of Success was a precursor to Napoleon Hill's Think and Grow Rich. Hill was well known for researching what made millionaires different from the common man. The sixteen lessons in this book perfectly crystallize everything you will need to know to succeed during these hard economic times. Many of today's best known self help books take their core concepts from this book. The Secret, the Power of Positive Thinking, the Millionaire Next Door, and The Law of Attraction all take their basic premises from this landmark work. Now you can get it from the source. Once you've read this book you will understand what gives certain people an edge over everyone else. By following the advice laid out clearly herein you'll be the one with an edge. It's time to stop wondering what it's like to be rich and start knowing. This book has changed countless lives and it can change yours! Unlike many of the other editions on the market today, this edition is complete and unabridged!

About the Author Napoleon Hill (1883-1970) was born in a one-room cabin on the Pound River in Wise County, Virginia. He began his writing career at age 13 as a "mountain reporter" for small town newspapers and went on to become America's most beloved motivational author. His classic work, Think and Grow Rich, continues to inspire millions to believe and achieve and is a cornerstone of the modern self-actualization movement. Before passing, Hill established the Foundation as a nonprofit educational institution whose mission is to perpetuate his philosophy of leadership, self-motivation, and individual achievement.
