religions and all the great masters have told us, and in this book you will find exercises on how to feel it, and best of all, for the benefits of others, sending love and health to sick people, he explains how by healing ourselves we can heal other people. If you can only do the middle pillar light meditation, by Israel Regardie explained here, the affirmations and the exercises that involves writing, all of them take no more than 10 minutes, it will work magic in your life and your love ones, I wish you the very best on your magical path, thank you for making a world a better place. This is the kind of book you will want to give to everyone, also I recommend buying white index cards for the affirmations. 3 of 3 people found the following review helpful. Five Stars By S.
