Deeply unsettling, the facts and history laid out by David Cay Johnston evince the long history of a shady, greedy, and relentlessly sociopathic media mogul and his rise to power. From half-baked schemes, to false identities this book reads like a group of coiffed mob bosses sitting around a tacky gilded table trying to one-up each other with their stories. Except they're all Trump and they're all his stories and they're all true. This book will leave your jaw dropped as you have to repeatedly remind yourself THIS IS

This is the one I was waiting for! There's no flashing lights here, no cartoon versions of real people, no wallowing in moral outrage. Instead, it's got all the facts you need to explain to your pro-Trump friends (or that weird uncle at Thanksgiving- lol!) EXACTLY what's in Trump's record: and that's what makes him so dangerous.
Full of good detail, with sources noted.

By upstate bill
This is a relentlessly factual journey into the heart of darkness. The author knows his subject. better than Trump himself.
Trump has built a wall between himself and truth and decency. A must read. for anyone trying to get a handle on this election

THE NEW YORK TIMES BESTSELLER that first revealed the Russia connection
The culmination of nearly 30 years of reporting on Donald Trump, this in-depth report by Pulitzer Prize-winning investigative reporter David Cay Johnston takes a revealingly close look at the mogul's rise to prominence --- and, now, ultimate power
Covering the long arc of Trump's career, Johnston tells the full story of how a boy from a quiet section of Queens, NY would become an entirely new, and complex, breed of public figure. Trump is a man of great media savvy, entrepreneurial spirit, and political clout. Yet his career has been plagued by legal troubles and mounting controversy.
From the origins of his family's fortune, to his own too-big-to-fail business empire; from his education and early career, to his whirlwind and ultimately successful presidential bid, *The Making of Donald Trump* provides the fullest picture yet of Trump's extraordinary ascendancy. Love him or hate him, Trump's massive influence is undeniable, and figures as diverse as Woody Guthrie (who wrote a scathing song about Trump's father) and Red Scare prosecutor Roy Cohn, mob bosses and high rollers, as well as the average American voter, have all been pulled into his orbit.
Drawing on decades of interviews, financial records, court documents, and public statements, David Cay Johnston, who has covered Trump longer and more closely than any other journalist working today, gives us the most in-depth look yet at the man who has shocked the world.
Provides useful, vigorously reported overviews of Mr. Trump's life and career ...
Mr. Johnston, who has followed the real estate impresario for nearly three decades, offers a searing indictment of his business practices and creative accounting.
Michiko Kakutani, *The New York Times*
David Cay Johnston has given us this year's must-read Trump book.
Lawrence Orsquo;Donnell, *MSNBC*'s *The Last Word*
Johnston devastatingly covers ground he broke open as a reporter on the Trump beat in Philadelphia and at *The New York Times*...
The best of investigative reporting is brought to bear on a man who could potentially lead the free world.
USA Today
Carefully fleshes out the details of Trump's known biography...with solid documentation.

David Cay Johnston, a Pulitzer Prize-winning former *New York Times* investigative reporter, gives Trump the thorough scrubbing he deserves...
Johnston has done voters a service with this unblinking portrait. He makes a compelling case that Trump has the attributes of both 'dictator' and 'deceiver' and would be a disaster in the Oval Office.
Financial Times
Carefully fleshes out the details of Trump's known biography...with solid documentation.
Tampa Bay Times
"Johnston's case is unassailable and eye-opening." -- *The Nation*
A devastating attack on the Republican presidential nominee....
[Johnston] carefully disentangles the knot of lies that has so far characterised Trump's presidential campaign.
The Independent
If you follow the news at all, you'll know that a number of allegations have recently been raised against GOP presidential candidate Donald Trump.
It's due in good measure to veteran investigative reporter Johnston that these charges have seen the light of day. Here, without undue breathlessness and certainly without any coyness, he elaborates on those newsworthy sound bites connecting dots and establishing patterns.
Kirkus
Johnston maintains a crisply matter-of-fact approach throughout this scrupulously detailed and documented chronicle.
