Bruce Barton : The Man Nobody Knows before purchasing it in order to gage whether or not it would be worth my time, and all praised The Man Nobody Knows:

8 of 8 people found the following review helpful. If you're a seekerBy robinrjohnI first found this book in an antiques/junk shop years ago. The title caught my attention. I have been for years a "self-help" junkie, reading all kinds of books that offer advice for strength, improvement, enlightenment. And, inevitably, all these wanderings led to spiritual seeking, had to. And so I found myself reading anything I could about Jesus.... "Mere Christianity", by C.S. Lewis; a book called "Barabbus" (about the man who was "let go" at the crowd's insistence, instead of Christ) for example. This book, by a long-deceased advertising man, Bruce Barton, is his attempt to "personalize" Christ, as the scriptures leave quite a bit to our imagination. I loved this book, because it helped me to focus on the "man" Jesus, as he walked among men. I lent it to someone and never got it back. In fact, I've lent two copies and never had them returned. And so, luckily, I found it in print again. If anyone out there is seeking, I have a copy.0 of 0 people found the

following review helpful. Not all that interesting. By BBlots of speculation... lost interest about 1/2 through..0 of 0 people found the following review helpful. very good book which is about Jesus By E. S. Stone Very, very good book which is about Jesus, the Man Nobody Knows, God's only begotten son who was sent to earth to save all people from their sins if they only except Him as their Savior. Jesus died on the cross and suffered affliction for our sins then after 3 days arose from the grave conquering death so that even tho' we die a physical death our souls will go to heaven to be with Him for eternity, if we only believe. This books gives insight into the human side of Jesus. He was fully man, but yet fully God on earth. The Trinity - God the Father, God the Son God the Holy Spirit.

When it was originally published in 1925, this book topped the nonfiction bestseller list. Its lessons for the modern businessman are even more compelling today. The example portrayed by Jesus Christ is clarified in this book. From its pages, learn the keys to success, the secrets of leadership, and the path to genuine happiness.

"No man can read it without being impressed by [its] power and sweep... With keen and penetrating insight the author interprets the personal relationships of Jesus and their psychology." -- Princeton Literary Observer "This book had a major impact on my life! I read it at a crucial time, a time of extreme intellectual and spiritual struggle Since that day, I have read The Man Nobody Knows every year. I have given copies to hundreds of people and recommended it to thousands. I recommend it to you!" --James L. S. Collins, President, C.O.O. Chick-fil-A Inc. From the Publisher When it was originally published in 1925, the book topped the nonfiction bestseller list. Its lessons for the modern businessman are even more compelling today. From the Back Cover Bruce Barton's 1925 effort to reconfigure Jesus for the Roaring Twenties turned into one of the great best-sellers of the century. Here was Christ, the world's greatest business executive, who "picked up twelve men from the bottom ranks of business and forged them into an organization that conquered the world". In this new edition, the historian Richard Fried revives Barton's original language. Mr. Fried explores the book's rich insights into the culture of the 1920s, revealing not only the union of religion and business but changing attitudes toward consumption and leisure, sexuality and the roles of men and women.
