Thomas Faist, Margit Fauser, Peter Kivisto : The Migration-Development Nexus: A Transnational Perspective (Migration, Diasporas and Citizenship) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Migration-Development Nexus: A Transnational Perspective (Migration, Diasporas and

Citizenship):

This book examines current policy discussions around the migration-development nexus and subjects them to rigorous conceptual and empirical criticism through a transnational lens, placing the current re-discovery of migrants as agents of development nexus into theoretical and historical perspective.
