**Bob Blunden : The Money-Launderers** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Money-Launderers:

Everyone has heard of money-laundering ndash; the way that organised crime turns the dirty, often blood-stained proceeds of nefarious activities into clean, untraceable cash. But to most it remains a mystery how it is actually done;

what the risks are, and what it takes to get away with it ndash; or get caught. The Money Launderers provides a fascinating insight into the workings of organised crime. It will be of interest to the general lsquo;crimersquo; enthusiast, to companies and organisations seeking to protect themselves, and perhaps to the odd would-be launderer as well ...
