**R. Pringle : The Money Trap: Escaping the Grip of Global Finance** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Money Trap: Escaping the Grip of Global Finance:

The world economy is caught in a money trap. Existing monetary arrangements meet the needs neither of the ageing societies of the West nor of younger emerging economies. This in-depth analysis explains how the world got into the

grip of global finance - and how it can escape, with a growing demand for reform.
