Good but datedBy Kathy P.Lots of good information but some is dated as the book was written in 1998. As he mentions in the book, the rules change at

the whim of Congress. 0 of 0 people found the following review helpful. The earlier he learns this stuff the better his future will be. By Richard C. McGiff. Just the paper back version of the hardback I bought years ago. I follow Ric's suggestions and bought this book for a nephew just starting out in life. The earlier he learns this stuff the better his future will be.
