If you want to make sure you're smart, you will read this bookBy Andrew MillerThis book is essential and it's a crime this isn't a required before applying for a job. If you want to make sure you're smart, you will read this book. If you want to make sure you're employees are smart and on the same page as you, you will enforce them to read this book. No exceptions1 of 1 people found the following review helpful. Great Primer Into BusinessBy D. VelasquezThe short concise sections were great. I'm mid-career professional in business

without formal business education and this filled in a lot gaps. Also a good book for a budding entrepreneur. The book is a great segue into deciding what to learn about next. 2 of 2 people found the following review helpful. Key Business Principles in a Book By Michael1359 This book is a well thought-out and thoroughly researched work on most of the major business practices needed to run a successful business. It is well worth the lengthy read.

Master the fundamentals, hone your business instincts, and save a fortune in tuition. The consensus is clear: MBA programs are a waste of time and money. Even the elite schools offer outdated assembly-line educations about profit-and-loss statements and PowerPoint presentations. After two years poring over sanitized case studies, students are shuffled off into middle management to find out how business really works. Josh Kaufman has made a business out of distilling the core principles of business and delivering them quickly and concisely to people at all stages of their careers. His blog has introduced hundreds of thousands of readers to the best business books and most powerful business concepts of all time. In *The Personal MBA*, he shares the essentials of sales, marketing, negotiation, strategy, and much more. True leaders aren't made by business schools—they make themselves, seeking out the knowledge, skills, and experiences they need to succeed. Read this book and in one week you will learn the principles it takes most people a lifetime to master.
