A Proper Perspective on the Money, Possessions, and PrincipleBy Richard

R. Blake Dr. Kenneth Ulmer's book "The Power of Money: How to Avoid a Devil's Snare" is highly endorsed by esteemed Christian denominational leaders, Para-church ministries, and leaders in International Evangelism. Ulmer's writing is pragmatic and down to earth connecting with the reader at their level of need. The book addresses the struggle many Christians face when attempting to find a balance of dedication to the Lord while in a dilemma trying to balance their checkbook in times of economic crisis. The book is about perspectives, perceptions, priorities, unity and worship. Unfortunately Christians are often drawn away from their love for the Lord. Faced with Satan's temptations, the desire for possessions, and the lure of wealth many find they have exchanged their first love and are caught up in the snare of a love of money. Ulmer describes in detail the stronghold of "mammon" and the danger of trying to serve two masters. Wealth, money, riches, prosperity, treasure, and intrinsic value are all discussed in light of honoring God and maintaining a positive Christian testimony. Ulmer goes on to show how true treasures are those turned over to God and of the concept of a circle of blessing. Personally, I appreciated the page at the end of each chapter provided for notes of reflection, meditation, or journaling. Taking advantage of this interactive feature adds personal meaning as well as application for the principles covered within the chapter. "The Power of Money: How to Avoid a Devil's Snare" offers deliverance, hope, and a new sense of financial understanding and acceptance of personal responsibility for good stewardship. Ulmer's writing is Biblically based, fresh, and penetrating.

Best-selling author, university professor, and beloved pastor of a mega-church in Los Angeles, Kenneth Ulmer exposes *The Devil's Snare* so you can stop the constant tug-of-war struggle between worshiping God and worrying about finances. We worry, worry, worry (about money), and yet we love Jesus. There is no need to worry. *The Devil's Snare* explains what lurks behind most Christians' misunderstanding of money, riches, finances, and material possessions. Also revealed is the mysterious, insidious power that influences your desires for money and possessions. No one can serve two masters; for either he will hate the one and love the other, or else he will be loyal to the one and despise the other. You cannot serve God and mammon (Matthew 6:24 NKJV). Expertly and practically examined is the stronghold of mammon operating in the lives of many Christians, exposing its many distorted faces and lures. There is hope: You can jump out of the same old money rut of feeling like you're worth more than you're being paid or that you can never quite get ahead financially. You can understand the unseen force holding you back financially no matter how much money you earn or try to save. You can approach spending, earning, and saving in an entirely new way. God can break away *The Devil's Snare* from you today!

About the Author For more than 25 years, Kenneth C. Ulmer, PhD, has been the senior pastor of Faithful Central Bible Church in Los Angeles.
