William F. Fox, Matthew Murray : The Sales Tax in the 21st Century (Critical Companions to Popular) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Sales Tax in the 21st Century (Critical Companions to Popular):

Leading national experts examine the importance of sales tax as a revenue source in the U.S. and describe key factors

that will determine its role in government revenue structures of the 21st century. This book offers a timely analysis of cutting-edge issues that affect both the private and the public sector, including reform, emerging technologies, interstate dimensions, auditing techniques, federal policy and more. Policymakers, tax administrators, analysts, and business professionals will find this work of great value.

About the Author MATTHEW N. MURRAY is Associate Professor of Economics and Associate Director of the Center for Business and Economic Research at the University of Tennessee, Knoxville. WILLIAM F. FOX is Professor and Head of the Economics Department and the Director of the Center for Business and Economic Research at the University of Tennessee, Knoxville.
