Neil Atkinson : The Shrewd Christian: You Can't Have It All, But You Can Have More Than Enough before purchasing it in order to gage whether or not it would be worth my time, and all praised The Shrewd Christian: You Can't Have It All, But You Can Have More Than Enough:

1 of 1 people found the following review helpful. Financial common senseBy P. SmithIn "The Shrewd Christian", Neil Atkinson employs a very conversational style of writing. The material might have been taken directly from class lectures that he has given. I appreciate his insights on how the culture, and we as individuals, are affected by

marketing and materialism. The section on contentment was especially perceptive. Much of the rest of the book reads almost as a frugal living handbook. Well worth the price. 0 of 0 people found the following review helpful. Awesome Book By IamMsPrecious1 Awesome book on finances, Christianity and shrewdness!! Because of this book I'm more aware and alert when it comes to finances...I'm so eager to get and stay out of debt! Lot of life lessons and examples 0 of 0 people found the following review helpful. Three Stars By Anna Lemos Thanks

If financial freedom seems like an unattainable dream; wake up! Let Neil Atkinson open your eyes to the truth about wealth in this biblically based, practical, readable, funny, and encouraging guide. If you want to get a grip on your finances, you've got to let go of your misconceptions about what it means to be shrewd. The Shrewd Christian will enable you to conquer money, not merely solve money problems. When you change your thinking, you'll see your lifestyle change. And when your lifestyle changes, you'll experience true wealth. Neil Atkinson started out where you are. And now he's ready to show you how to achieve authentic, biblical financial freedom for the rest of your life. From the Trade Paperback edition.

From Publishers Weekly Drawing on such personal-finance classics as "Your Money or Your Life" and "The Millionaire Next Door," Atkinson encourages readers to evaluate whether their current jobs are satisfying and are leading them toward financial independence. Far too often, he tells us, people sell out their true dreams to meet the escalating demands of our trade-up, supersize-it society. True financial freedom, by contrast, lies in determining how much is enough, and learning to live within our means. By saving more, we can work less; by being frugal with both big-ticket items and small expenses, we can put our dollars toward the things that really matter to us. The book is directed toward the audience Atkinson calls the "CMC," or the Christian Middle Class, a group he desires to be economically productive and spiritually fulfilled. One chapter recommends an innovative program called "100 Days to Shrewd," including a month-long "draconian adventure" where readers halt all unnecessary spending for 30 days. This unusual program helps Christians cultivate gratitude and understand how people live in other parts of the world. Copyright © 2007; Reed Business Information, a division of Reed Elsevier Inc. All rights reserved. "Neil Atkinson has an extremely solid, biblical perspective on personal finances. As he states, shrewd Christians do not ignore money or stop at money alone. Instead, they go through money and get past money so they can be involved in more important things. I highly recommend this book. It's fun, serious, and full of practical help." —Denny Rydberg, president of Young Life, an international outreach ministry to adolescents "What I love about this book is the coupling of callings: that people matter and money matters. The Shrewd Christian is a fantastic guide to improving your economy while maintaining your philosophy." —Marilyn Meberg, author of The Zippered Heart and speaker for the Women of Faith conferences "Neil Atkinson does a masterful job of offering the Christian middle-class practical solutions to everyday financial issues. The Shrewd Christian challenges and encourages God's people to live biblically wise stewards in an increasingly hostile world." —David Briggs, director of the Good Sense Stewardship Ministry at Willow Creek Community Church "Neil's wry sense of humor punctuates each page of The Shrewd Christian; his years of personal experience and his wisdom make this book invaluable. The Shrewd Christian makes it not only possible but simple and fun to control money, instead of letting it control you." —Grace Ketterman, child and family psychiatrist and author of numerous books, including When You Feel Like Screaming "Neil helps us to understand how we can reach the goals of gladness and contentment and how costly it is to our souls when we allow finances to be the center of our affections. As you read Neil's wise counsel in this book, you will hear the voice of Jesus whispering in your ear... From the Inside Flap If financial freedom seems like an unattainable dream; wake up! Let Neil Atkinson open your eyes to the truth about wealth in this biblically based, practical, readable, funny, and encouraging guide. If you want to get a grip on your finances, you've got to let go of your misconceptions about what it means to be shrewd. The Shrewd Christian will enable you to conquer money, not merely solve money problems. When you change your thinking, you'll see your lifestyle change. And when your lifestyle changes, you'll experience true wealth. Neil Atkinson started out where you are. And now he's ready to show you how to achieve authentic, biblical financial freedom for the rest of your life.
