**Lloyd J. Dumas, Amitai Etzioni : The Socio-economics of Conversion from War to Peace (Bureaucracies, Public Administration, and Public Policy)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Socio-economics of Conversion from War to Peace (Bureaucracies, Public Administration, and Public Policy):

This text discusses the economic, social and political implications of redirecting labour and capital from a military-based to a post-Cold War economy.
