From Palgrave Macmillan : The South Korean Development Experience: Beyond Aid (Critical Studies of the Asia-Pacific) before purchasing it in order to gage whether or not it would be worth my time, and all praised The South Korean Development Experience: Beyond Aid (Critical Studies of the Asia-Pacific):

This volume explores South Korea's successful transition from an underdeveloped, authoritarian country to a modern industrialized democracy. South Korea's experience of foreign aid gives a unique perspective on how to use foreign aid for economic development as well as how to build a strong partnership between developed and developing countries.
