Wayne Allyn Root : **The Ultimate Obama Survival Guide: How to Survive, Thrive, and Prosper During Obamageddon** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ultimate Obama Survival Guide: How to Survive, Thrive, and Prosper During Obamageddon:

mainstream media come from the socialist, supposedly educated, elite. This is true, but Mr. Root forgot to address the question of who hired them. It is the so-called elite who are already ruling the world. They consist of the banks, crony capitalists, and politicians who have taken over ownership of all the media and sucked up almost all the power and money into their circle with the intent of subjugating everyone else. They do not want any of us to have enough money to be able to find the time to think for ourselves. That is why they are trying to squash the middle class. 10 of 11 people found the following review helpful. The Millionaire's Guide to Additional Prosperity By Todd Schadler While I agreed with most of Root's assessment of the present state of the U.S. (i.e. we are sooo screwed!), I felt that a good chunk of the advice he provided was geared more for people who have enough money to pay for stock investments, purchase guns, own foreign and medical real estate, and hop from one continent to the next (over breakfast, no less.). Root even quotes one of his friends in the book (perhaps accidentally) as saying "I assume that all of you readers are millionaires, just like me," or something to that effect. Don't know about anyone else, but I for one do not have the money to do any of the things that Root recommends in order to protect myself from total debt-meltdown of the U.S. economy. Not even save money, because I'm a dead-broke college graduate with loans to pay. I will say, however, that I liked Root's critique of the public education system, if only because I have gone through the public education system myself and can appreciate (perhaps even relish) all of the shortcomings that he so perfectly describes in the book throughout. I'm also sure that I will use Root's investment advice someday if I ever get hired to work in the U.S. again and obtain something even remotely resembling a living-wage. That's a very big IF, of course, given the present state of the economy. To clarify, I am entirely reliant on entitlement programs for a living wage (Medicaid, SNAP, Workforce development... you name it, I qualify for it!). I should also mention that I'm a U.S. citizen with an MA degree; all I'm saying is that it's a bit late for me to be receiving investment advice from Root. You, Dear Reader, may also feel the same way. Welcome to Obamageddon. In sum, for those of you on the right (republicans, conservatives, tea party fans, etc.), you'll get nothing new out of this book unless you're the type of person who enjoys reading material that confirms what you already believe and know. For all of you middle-of-the-roaders who are steeped in liberal media dogma or for those of you who suspect something is REALLY wrong ("off") with the United States but can't put your finger on it, this might just be the book for you. 0 of 0 people found the following review helpful. "DON'T GET MAD ABOUT OBAMAGEDDON...GET EVEN!" Build your wealth. Protect your faith and family. Secure your freedom. Don't just survive Obama...learn how to outsmart his big-government, socialist system and thrive! Bad times are coming -- how will you protect your family, save enough for retirement, and turn your home into a fortress? In The Ultimate Obama Survival Guide, Wayne Allyn Root provides the answer. First, he explains step by step what Obama has planned. Then, Root presents Y-PODS: Your Personal Obama Defense Shields - a detailed 18 point plan to protect your assets, capitalize, and PROSPER as the rest of the country treads water - or drowns! And that's just the beginning. Wayne Allyn Root is a passionate Capitalist Evangelist, serial entrepreneur, and small businessman extraordinaire. He knows what it takes to weather any economic storm. You're going to need Root's expertise as you and your family tackle the biggest challenge facing Americans today: Barack Obama's second term in the White House. Root takes you on a tour of the practical, real-life ways you can fight back and WIN, not just at the ballot box, but in your bank account, retirement account, safety deposit box, on your tax forms, at your church, in your home, your schools, and at your doctor's office. The Ultimate Obama Survival Guide also features exclusive advice from 18 superstars of business and finance - millionaires, billionaires, and managers of billion dollar hedge funds, who provide their specific plans for investing in precious metals, real estate, stocks, bonds, ETFs and more. What one investment decision made in 1913 turned \$1,000,000 into \$87,000,000? What investment decision outperformed Warren Buffet by 300% since 2000? What investment have central bankers around the world bought more of in the past year, than in all the years since 1964 COMBINED? Root provides the answers - along with detailed advice on the smart investments now, the best places to move to escape Obama's poisonous taxes, the best way to educate your children, survival advice on how to turn your home into a fortress, how to survive if the economy collapses and unrest threatens your family. If you are worried about what Obama has in store (and you should be) then arm yourself with Root's step-by-step instructions to protect yourself and your family RIGHT NOW from the Obama invasion of every aspect of your life.

"At a time of suffocating political correctness and damaging crackpot economic theories, particularly at the Federal Reserve, Wayne Allyn Root comes out with both guns blazing! He 'gets it' on preserving freedom and enhancing the opportunity to better oneself and to get ahead." --Steve Forbes "President Obama, look out. There's a new sheriff in town, and he's not afraid to speak his mind loudly. Wayne Allyn Root is a living, breathing Capitalist Evangelist. Wayne shows you how to beat Obama at his own game, how to protect your assets and prosper during the next four years. Bravo Wayne!" --Mike Huckabee "Wayne Root is one libertarian I like! (Because he's left his childish games behind and become a full-fledged conservative.) In The Ultimate Obama Survival Guide Wayne dissects the coming economic collapse under his old Columbia college classmate Obama and shows you how to capitalize and prosper

through hell." --Ann Coulter "The Conservative movement desperately needs someone like Wayne Allyn Root. Dynamic, charismatic, fearless. Wayne's book boldly charts a new direction for you and your family - to transform your thinking, to give you the confidence to take action, to protect your assets and prosper. Sheer genius. Wayne is the new conservative media powerhouse." --Rita Cosby, Emmy-winning television host "Wayne Allyn Root is one of the great conservative thinkers in America. His opinions and commentaries are in the Conservative Hall of Fame with greats like Sean Hannity, Mark Levin, Charles Krauthammer, and Thomas Sowell. Instead of simply cursing the darkness, damage, and decline caused by President Obama, Wayne has lit a candle brighter than a ten-fold beacon shining into a dark night. Follow him." --Bill Cunningham, host of The Bill Cunningham Show, nationally syndicated on Premiere Radio "We all know that it is dangerous to be right when the government is wrong. Wayne Allyn Root has the courage to be right and to make it public." --Marc Faber, editor of Gloom Boom Doom Report and founder of Marc Faber Limited, Hong Kong "Wayne Allyn Root hits Obama with both barrels, no holds-barred. Then he provides solutions that anyone can use to protect themselves and profit during the next four years. That's why they call Wayne the Capitalist Evangelist!" --Peter Schiff, CEO of Euro Pacific Capital and bestselling author of Crash Proof 2.0 "How did Wayne Allyn Root assemble eighteen financial heavyweights in one book to give their brilliant advice, financial insights, and priceless wisdom? That took magic. Thank you, Wayne!" --Eric Singer, portfolio manager, Congressional Effect Fund "The modern-day conservative movement needs a Ronald Reagan. Wayne Allyn Root is charismatic, dynamic, passionate, a great communicator, and presents economic ideas in a simple, easy-to-understand way. Read Wayne's book and discover how to survive and thrive no matter what Obama throws at us!" --Mark Skousen, founder and producer of FreedomFest and editor of Forecasts and Strategies About the Author WAYNE ALLYN ROOT is a talk show host, bestselling author, business speaker, and television and radio commentator on the topics of business, economics, entrepreneurship, and politics. He is a regular guest on Fox News, as well as hundreds of national and local radio shows across the United States, with over one thousand media appearances annually. He is a former presidential candidate, the 2008 Libertarian vice presidential nominee, and a favorite Tea Party speaker.
