**John Cooper : The Unexpected Story of Nathaniel Rothschild** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Unexpected Story of Nathaniel Rothschild:

0 of 0 people found the following review helpful. is surely one of the best. MrBy S. Maitland-LewisThis is a superb book and a must read for anyone interested in learning about a fascinating man and his age. Mr. Cooper's research is formidable and his writing is readable, enjoyable and informative. There are countless books on The Rothschild Family but this book, focusing on Nathaniel Rothschild, is surely one of the best. Mr. Cooper is a magnificent writer and a truly eminent historian. I have read, over the years, many books relating to The Rothschilds but what impressed

me so very much about Mr. Cooper's book is that he has brought up topics that no other writer, as far as I know, has dealt with before. It is this that makes this book so important.0 of 0 people found the following review helpful. We all need reminding of what great people have achievedBy CustomerOut standing record of a forgotten past. We all need reminding of what great people have achieved.0 of 0 people found the following review helpful. Fascinating. Very well researched and very well written.By Roza ZwillingerFascinating. Very well researched and very well written.

The Unexpected Story of Nathaniel Rothschild is the only full length biography of Nathaniel, the first Lord Rothschild (1840-1915). The Rothschild family in all its branches is of compelling and continuing interest and fascination. A family that could make or break dynasties, that could bankrupt industrial magnates but who also were outstanding philanthropists and collectors of some of the world's greatest art treasures. Ardently supportive of the founding of the State of Israel, Nathaniel was also adept at playing the political game within and without Jewry. He went to extremes to ensure that Jewish refugees from Russian pogroms went to Palestine and did not come to the UK. The first Jew in the House of Lords, he had previously stood as a Liberal MP and fought for social justice. He knew every leading British politician from Disraeli to Lloyd George. Indeed as a leading figure in the City, he helped Lloyd George to surmount this country's worst ever financial crisis.He died a man mourned by the political elite and the masses. It is only now that his story has been fully told.

A compelling narrative, which parallels and illuminates a formative period in British history -- Andrew Lycett \* Daily Telegraph \* Full of historical insights, bringing this elusive philanthropist back to life \* The Lady \*About the AuthorJohn Cooper is a social historian, specializing in Jewish history. He is the author of four previous books including The Child in Jewish History (Aronson) and Pride versus Prejudice: Jewish Doctors and Lawyers in England (Palgrave Macmillan). After studying history at Balliol College, Oxford he practiced in London as a lawyer. He is a Fellow of The Royal Historical Society.
