**Rawley Thomas, Benton E. Gup : The Valuation Handbook: Valuation Techniques from Today's Top Practitioners (Wiley Finance)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Valuation Handbook: Valuation Techniques from Today's Top Practitioners (Wiley Finance):

0 of 0 people found the following review helpful. Five StarsBy CustomerGot the book great shape the product was better than advertised

The definitive guide to valuation written by a who's who of today's top practitioners The Valuation Handbook differs significantly from other related books on this topic because the contributors are practitioners, academics, and investment firms that explain how they value companies and other assets. It concentrates on specific and innovative valuation techniques, rather than the theoretical approaches more generally accepted and discussed. Given the extreme volatility of the stock market, valuation is a critical issue for analysts, investors, and businesses. Here, various professional contributors explain how their firms approach the valuation process, while academic contributors share their valuation consulting and research experience. Examines how to value assets in today's dynamic market setting Offers a broad spectrum of ideas from some of the top practitioners and academics in this field Highlights state-of-the-art approaches to company valuation Filled with in-depth insights and expert advice, The Valuation Handbook puts this difficult discipline in perspective.
