**Alan Sugar : The Way I See It: Rants, Revelations And Rules For Life** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Way I See It: Rants, Revelations And Rules For Life:

1 of 1 people found the following review helpful. Great fun and some wise words!By CustomerReally enjoyed Lord Sugar's 'take' on the world, probably because its the same as mine! Slight repetitions from previous books but not too bad. A good book to dip into not to read in one go. I'd like young people to read and discuss! Go into politics Lord Sugar - I'll vote for you.0 of 0 people found the following review helpful. A long rant about most thingsBy AneshThe opinionated Alan Sugar has much to say about almost everything. His comments and points of view are quite interesting but I found much of the book boring. It may appeal more if you are British as many of the characters he

mentions are unknown to people elsewhere. His autobiography is a far better read. 0 of 0 people found the following review helpful. Five Stars  
By H A A Y MAHMOOD  
Great Product

Everyone knows that Lord Sugar has strong opinions and is not afraid to share them - no matter how controversial they may be. *The Way I See It* takes us into the world of Alan Sugar: entrepreneur, Twitter addict, television star, keen cyclist, peer of the realm and bemused grandfather. In *The Way I See It* he shares his trenchant views on subjects as varied as over-priced posh restaurants, the problems with British society, why French drivers wind him up, the secrets of his own success, and the reason he respects Katie Price more than most celebrities. Crammed full of brilliant stories, amusing rants and sound advice, this is the last word on life, the universe and everything from the nation's favourite straight-talking businessman.

About the Author  
Lord Sugar is chairman of Amshold Group Ltd, a member of the House of Lords, and the popular star of *The Apprentice* and *Junior Apprentice*. His autobiography, *What You See is What You Get*, is published by Pan.
