**International Monetary Fund : The West Bank and Gaza: Economic Performance, Prospects, and Policies: Achieving Prosperity and Confronting Demographic Challenges** before purchasing it in order to gage whether or not it would be worth my time, and all praised The West Bank and Gaza: Economic Performance, Prospects, and Policies: Achieving Prosperity and Confronting Demographic Challenges:

This is the latest in a series of economic reports by staff economists in the IMF's Middle Eastern Department.

This book discusses the latest economic data coming out of the West Bank and Gaza Strip, with a particular emphasis on growing demographic concerns. The work is enhanced by the addition of numerous data tables and graphs, which extensively analyze economic trends in the region.
