There is more extracted from other books and other people than from "Zuck". There are better books to read. Rework comes to mind.2 of 2 people found the following review helpful. An amazing Book with a deep and thought provoking conceptsBy Jacob SapochnickI don't write many reviews but I felt this book deserved at least 5 stars - can I give it 8 stars? It's an inspiring read, truly informative, seems balanced, and highlights how entrepreneurial vision drives success. After reading this book I'm in awe of Zuckerberg, and I now consider him a genius. Great writing by Ms. Walter, just want to re read it again.0 of 0 people found the following review helpful. Great BookBy MJS2013Really enjoyed the book on a whole and it did a great job of explaining not only some of the keys to success for Mr. Zuckerberg and a variety of other businesses, but also in demonstrating some classic challenges and solutions to traditional business problems. While the book does not necessarily teach you how to literally "Think Like Zuck" it does a great job of demonstrating different things to consider about a company and various business aspects that go largely under the radar.

Wall Street Journal Bestseller Make Your Mark in the World with the Five Success Principles of the World-Changing Social Media Site If Facebook were a country, it would be the third largest in the world. Facebook accounts for one of every seven minutes spent online. More than one billion pieces of content are shared on Facebook. There's no doubt about it. Mark Zuckerberg's creation has changed the world. Literally. Facebook has singlehandedly revolutionized the way more than one-seventh of the world's population communicates, engages, and consumes information. If you run a business or plan to start one, you're probably asking yourself the same question organizational leaders worldwide are asking: What did Mark Zuckerberg do right? At long last, the answer is here. Think Like Zuck examines the five principles behind Facebook's meteoric rise, presented in actionable lessons anyone can apply in any organization, in any industry. Written by social business trailblazer Ekaterina Walter, this groundbreaking book reveals the five "Principles" of Facebook's success: PASSION—Keep your energy and commitment fully charged at all times by pursuing something you believe in PURPOSE—Don't just create a great product; drive a meaningful movement PEOPLE—Build powerful teams that can execute your vision PRODUCT—Create a product that is innovative, that breaks all the rules, that changes everything PARTNERSHIPS—Build powerful partnerships with people who fuel imagination and energize execution Packed with examples of Facebook's success principles in action—as well as those of Zappos, TOMS, Threadless, Dyson, and other companies—Think Like Zuck gives you the inspiration, knowledge, and insight to make your own mark in the world, to build a business that makes a difference, and to lead your organization to long-term profitability and growth. "Think Like Zuck is a fascinating look at how entrepreneurial vision drives success. If you want more out of work than just a job, if you have the burning desire to build something of lasting value, then this is your guide." —DAVID MEERMAN SCOTT, bestselling author of The New Rules of Marketing and PR "Whether you're a seasoned business executive or the next Mark Zuckerberg in your dorm room right now, this book is a must-read! Two likeable thumbs up!" —DAVE KERPEN, New York Times bestselling author of Likeable Social Media and Likeable Business "True success lies at the place where passion and purpose collide—this book will help you uncover yours." —JOHN JANTSCH, bestselling author of Duct Tape Marketing and The Commitment Engine "Think Like Zuck is a must-read for any innovator, social entrepreneur, or business owner looking to capitalize on the success of Facebook to propel and realize their own vision." —SIMON MAINWARING, New York Times bestselling author of We First "This book takes you on the ride of a lifetime and shows you how YOU can be successful! The question is: What does it take? Ekaterina gives us the answers!" —JEFFREY HAYZLETT, bestselling author of Running the Gauntlet and global business celebrity "In Think Like Zuck, you will find important principles to infuse meaning into your business strategies and inspire change. Don't just read this book; use it." —SHAWN ACHOR, author of the international bestseller The Happiness Advantage

"Think Like Zuck is a book for anyone that wants to become a better leader. The basic keys to success apply to motivated, creative employees as much as they apply to entrepreneurs. If you are looking for a book to start your new year off with inspiration, this is the one you should pick up." Search Engine Journal 20130118 "At its heart, this is a book about the [work] ethic, the drive of what makes us work, lead, and succeed."
