inspiring message is clear, concise, and compelling. A brilliant double dose of not only "howrdquo;, but ldquo;whyrdquo;. Imagine the time pressures and delivery expectations of being in charge of 40,000 Disney Cast Members for a decade. The best thing you can do after reading Lee's book(s) is to subscribe to his Podcasts. To have access to Lee in this manner is priceless. It will change your life, like it did mine.0 of 0 people found the following review helpful. Lee Cockerell is my spirit animal!By Joe70.3I honestly did not think that I needed this book, but then I took a peak and it instantly helped me. Lee Cockerell is a wealth of knowledge and a great motivator to boot. I actually took his Time Management course that you can find on his website (along with his narrator Jody Maberry). The two gents have a wonderful podcast that is released every Tuesday morning. It is well worth the time to listen to Lee regarding subjects such as: leadership, customer-centric practices and time management. He truly is my spirit animal!0 of 0 people found the following review helpful. If someone like Lee can effectively manage an organization as large Walt ...By BaldyLee Cockerell is a no-nonsense leader and takes the same approach to time management. Effective time management requires two things; planning and self-discipline. If someone like Lee can effectively manage an organization as large Walt Disney World using this system, it will certainly work for you.

Executive time management secrets from a life at Disney. During Lee Cockerell's career at Disney as the Senior Operating Executive of Walt Disney World Resorts, he led a team of 40,000 Cast Members (employees) and was responsible for the operations of 20 resort hotels, 4 theme parks, 2 water parks and the ESPN Sports Complex. As you can imagine, Lee had to become a time management expert, first as a means of survival and then as a way to help others make the best use of their time. The time management secrets he developed have become one of his most requested corporate training lectures and are now available to you in this tell-all book. However, this book is not just about Time Management. It is about Life Management. ldquo;Managementrdquo; is defined as the act of controlling. The executive time management secrets contained in this book will help you keep all parts of your life under control and jump-start your personal and professional growth.

"The ideas in Time Management Magic aren't only for managers in the workplace, they're for everyone, everywhere! Here, Lee Cockerell shares his personal planning system that made possible his thriving executive career with entertainment and hospitality industry giants. Read this book to maximize your success in life!" ndash; Ken Blanchard, Coauthor of The One Minute Manager and Legendary Service"I have used Lee Cockerell's powerful Time Management Magic system to transform startndash;ups to multindash;million dollar businesses and to coach hundreds of CEOs to do the same. Read it, implement it, and enjoy the massive results it produces. This book is a NOW read and will be 100 years from now!" ndash; Tim Redmond, RedmondGrowth.com, Author of Power to Create"The magic behind Walt Disney World involves really no magic at all. The daily magic customers experience at Disney World is created by the time management skills of the leadership team. Most people overlook the careful diligence and time management skills required to manage the daily checklists, systems and schedules being executed by the army of over 40,000 employees that were once led by Lee Cockerell. Read this book and implement Lee's time management systems and you will experience TREMENDOUS success." ndash; Clay Clark, United States Small Business Administration Entrepreneur of the YearAbout the AuthorLee Cockerell is the former Senior Operating Executive for Walt Disney World Resort for more than ten years.
