**Cathleen M. Rittereiser, Lawrence E. Kochard : Top Hedge Fund Investors: Stories, Strategies, and Advice (Wiley Finance)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Top Hedge Fund Investors: Stories, Strategies, and Advice (Wiley Finance):

1 of 1 people found the following review helpful. A clear, concise intro to Hedge Fund investingBy David EThis book is an excellent introduction to hedge fund investing, from the perspective of a select group of the top practitioners in the industry. As they did with their earlier book, Foundation and Endowment Investing, Rittereiser and Kochard have

offered clear, concise, well written and useful insight for professional investors, policy makers, and students of investing. I'm happy to recommend this book. 1 of 2 people found the following review helpful. A must-have for investors, fund managers, LPs GPs alike By Will H Rittreiser Kochard bring to light the key elements of hedge fund luminaries' thought processes in a highly engaging and readable book. Interviews collected in the book focus on how top hedge fund managers think about their craft. Importantly, readers will learn about the "soft" factors managers use in evaluating investment opportunities, some obvious but often missed, some subtle. Highly recommended. 1 of 2 people found the following review helpful. Very informative, yet easy-to-read By Reg Very worthwhile book for anyone who is either thinking about a career in hedge funds, or investing in hedge funds. Rittreiser and Kochard have done a great job in presenting the subject and their featured investors. The fact that it is so readable - one investor even provided his top ten 10 hedge fund quotes - makes it easy to retain the information.

A professional's guide to the world of hedge fund investing Throughout the financial crisis of 2008, many hedge funds suffered massive losses and were often blamed for the extreme market upheavals. In the wake of the crisis, hedge funds remain a source of fascination for the media, legislators, and investors, mostly due to misunderstanding. Historically portrayed as risky investment funds for the very wealthy run by swashbuckling traders, the truth is hedge funds are simply an investment vehicle designed to generate superior returns and reduce an investor's overall portfolio risk. Investors have good reasons to remain fascinated with hedge funds. Although many individual funds have underperformed or collapsed, hedge funds as a whole have provided solid returns while reducing risks. Savvy institutions have invested in hedge funds for many years and have made them a large and powerful force in the markets. Investing in hedge funds requires sophisticated knowledge, understanding, skill, access, and experience. Individuals and institutions, whether they are new to hedge funds or need to improve, can find those attributes in the stories of the successful hedge fund investors profiled in *Hedge Fund Investors*. *Hedge Fund Investors* chronicles the challenges and rewards these investors face, in selecting hedge fund managers, managing risks, and constructing portfolios. In revealing conversations, leading hedge fund investors who place hundreds of billions of dollars in hedge funds, share their philosophies, strategies, and advice. Profiles a variety of different investors from the pioneers in hedge fund investing to managers for high net-worth individuals and fund of funds investors Discusses winners and losers in the recent market decline, problematic hedge fund strategies, and how these current events will change future strategies Provides lessons, insights, and advice beneficial to all hedge fund investors Engaging and informative, *Hedge Fund Investors* will prove valuable to anyone involved in placing money with hedge funds, as well as hedge funds who seek to better understand their clients.

An in-depth look at hedge fund investing. The authors managed to secure from top hedge fund investors a noteworthy level of information on everything from manager sourcing to evaluating performance and risk to redemption triggers.
