2 of 2 people found the following review helpful. Life long journeyBy Charles WillsThis is a great book to walk you through your life's journey while reading about Martin's journey. Amazing lessons and most important that you are not here to show others how great you are but how great you can make those around you by showing them you care and

how to be their best. Awesome book! 1 of 1 people found the following review helpful. Changed! By Genuine Faith I cannot remember the last time I have read and listened to a book that completely grabbed the core of my being, pulled it out in a gentle way, exposed its hidden struggles and restored my drive and well-being! Now that I've said all that, there hasn't been a book I've ever said that about before! Just THANK YOU Jon Gordon for being that available and sensitive to the Holy Spirit! There's not a human on this earth that doesn't need to read/listen to this beautifully written book. 1 of 1 people found the following review helpful. As the story progresses you can relate yourself with the main character and find easy parallels into your personal life. By Mark Liszewski As a sports fan, I thought this book bridged the gap between motivation and application very well. As the story progresses you can relate yourself with the main character and find easy parallels into your personal life.

Training Camp is an inspirational story filled with invaluable lessons and insights on bringing out the best in yourself and your team. The story follows Martin, an undrafted rookie trying to make it in the NFL. He's spent his entire life proving to the critics that a small guy with a big heart can succeed against all odds. After spraining his ankle in the pre-season, Martin thinks his dream is lost when he happens to meet a very special coach who shares eleven life-changing lessons that keep his dream alive and might even make him the best of the best. If you want to be your best, Training Camp offers an inspirational story and real-world wisdom on what it takes to reach true excellence and how you and your team (your work team, school team, church team and family team) can achieve it.

From the Inside Flap In the spirit of his international bestseller *The Energy Bus*, Jon Gordon returns with another inspirational fable filled with invaluable lessons and insights on bringing out the best in yourself and your team. Training Camp follows the story of Martin Jones, an undrafted rookie trying to make it in the NFL. He's spent his entire life proving to the critics that a small guy with a big heart can succeed against all odds. After spraining his ankle in the pre-season, Martin thinks his dream is lost . . . until he meets a very special coach who shares eleven life-changing lessons that keep his dream alive and might even make him the best of the best. Whether you play sports or the piano, work with a computer or a scalpel, these lessons apply to you because we all must climb the mountain before reaching its peak. Based on his work with professional sports teams, world-class organizations, and interviews with top professionals in a wide variety of fields, Gordon reveals the deep truths and proven strategies that take the very best to the top. Training Camp reveals that the best performers in any field all share the same qualities. Among other traits, the best of the best are able to maintain a big-picture vision while taking focused action, they are mentally strong, they seize the moment, and they inspire excellence in the people around them. But these aren't inborn traits; they're skills and attitudes that can be learned and applied by all. If you want to be your best, Training Camp offers inspiring, real-world wisdom on what it takes to reach true excellence and how you and your team, whether at work, school, or at home, can achieve it.

From the Back Cover A story for anyone who wants to be their best and bring out the best in others "Training Camp by Jon Gordon is a touching story about one man who faces his fears on his path to greatness. Along the way, he learns a valuable lesson about who is really in control. Grow your faith. Read Training Camp." —Ken Blanchard, coauthor of *The One Minute Manager*; and *Lead Like Jesus* "I loved reading this book. Jon and I agree that one should not only strive for excellence on the field but also make greatness a life mission. I believe every coach, player, individual, organization, and team that wants to be their best should read and benefit from this book." —Mike Smith, Head Coach, the Atlanta Falcons "Having spent my life studying the best, I have found that great individuals need great coaches. Training Camp is not only about the student but the mentor. Jon has woven a compelling story of two individuals together, traveling life's journey, striving for excellence, and leaving a legacy in the process. I found myself cheering the main characters on from the sidelines. Thank you, Jon, for leaving a legacy with the profound lessons found in this book." —Kimberly K. Rath, President, Talent Plus "Training Camp is a great read for any leader, young or old, whether a coach, teacher, pastor, or CEO. It will inspire you to inspire others and to strive for excellence every day." —Brad Lomenick, Vice President and Executive Director, Catalyst, a movement of next-generation leaders "Jon Gordon has written a poignant and powerful story that helps us find the best within ourselves and bring out the best in others. He will change lives with this book." —Jeffrey Zaslow, coauthor of *The Last Lecture*
