**From Palgrave Macmillan : Transnational Labour Migration, Remittances and the Changing Family in Asia (Anthropology, Change, and Development)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Transnational Labour Migration, Remittances and the Changing Family in Asia

(Anthropology, Change, and Development):

The contributors investigate the inter-relationships between migrant remittances and the family in Asia. They argue that, in the context of Asian transnational labour migration where remittances tend to become a primary currency of care, the making or breaking of the family unit is mainly contingent on how individuals handle remittance processes.
