From Palgrave Macmillan : Tricky Coaching: Difficult Cases in Leadership Coaching (INSEAD Business Press) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tricky Coaching: Difficult Cases in Leadership Coaching (INSEAD Business Press):

Bringing together cases written by experienced leadership and executive coaches from all over the world, this project

explores the most demanding and challenging situations they have faced in their professional practices. By analysing and reflecting on the real life case studies the authors show how to deal with these situations in daily life.

"Tricky Coaching stimulates the exchange of knowledge, ideas and coaching experience among psychologists, coaches and learning and development professionals. With its unique compilation of difficult real-life coaching cases it provides an eye-opening learning opportunity and supports the professional development of psychologists in the fast growing area of leadership coaching". - J. David Brewer, PhD, President of the Society of Consulting Psychology, A division of the American Psychological Association

About the Author
KONSTANTIN KOROTOV Associate Professor at ESMT, European School of Management and Technology in Berlin, Germany, and a senior researcher fellow and executive coach with the INSEAD Global Leadership Center in Fontainebleau, France. In addition to his academic work, he has over 15 years of practical leadership development experience in Europe, North and South America, and Asia. Konstantin received his PhD in Management (Organizational Behavior) at INSEAD. Konstantin currently conducts research on leadership development, leadership coaching, and executive education. He has authored, co-authored or edited numerous books, articles, columns, and special issues of journals on the subjects of leadership, careers, and executive education. As an expert on leadership and management in Russia and post-Soviet economies, Konstantin also conducts research on leadership styles of business elite and emerging leaders in the region.

MANFRED KETS DE VRIES The Raoul de Vitry d'Avaucourt Chaired Professor of Leadership Development and the Clinical Professor of Leadership at INSEAD, France, Singapore, and Abu Dhabi. He is also the Distinguished Professor of Leadership at the European School of Management and Technology in Berlin (ESMT), Germany. In addition he has held professorships at McGill University, Canada, the Ecole des Hautes Etudes Commerciales, Montreal, Canada, and the Harvard Business School, USA. Kets de Vries is a founding member, and since 2009 a Lifetime Distinguished Member, of the International Society for the Psychoanalytic Study of Organizations. The Financial Times, Le Capital, Wirtschaftswoche, The Economist, and the New York Times have judged him one of the world's leading thinkers on leadership. He is the author, co-author or editor of over 30 books and more than 300 articles. His books and articles have been translated into 29 languages. He is a member of seventeen editorial boards. Kets de Vries has been elected a Fellow of the Academy of Management. He has received the Lifetime Achievement Award for his contribution to leadership research by the International Leadership Association. Kets de Vries has been included in the Top 50 Management Thinkers 2009. www.ketsdevries.com

ANDREAS BERNHARDT is a program director, executive coach and founding member of ESMT's Center for Leadership Development Research and manages ESMT's pool of executive coaches. He teaches and coaches in the areas of Leadership, Organizational Behavior, Coaching and Change in MBA, Executive MBA, open enrollment, and company specific executive programs. Andreas consults globally operating companies on issues of executive coaching, leadership development, and leading teams in tough times. He also regularly coaches executives on leadership and career issues. Additionally, Andreas has held the position of Head of Leadership and Human Resource Management Programs for USW Schloss Gracht and prior to this worked for several years in the Banking Industry as well as for the German State Police Forces.

ELIZABETH FLORENT-TREACY INSEAD Global Leadership Centre Associate Director, Research leads a team that explores the following themes: leadership development group coaching; global leadership; global organizations; corporate and organizational culture; American, French and Russian business practices; family business issues (governance, succession, strategy); entrepreneurial leadership; cross-cultural management; women and global leadership; cultural aspects of mergers and acquisitions; transformational leadership; expatriate executives and families; and the psychodynamic approach to career and leadership development executive education programs. In addition, the IGLC research team develops 360deg; leadership survey instruments for use in executive coaching for individuals, teams, and organizations; and works with IGLC faculty to create innovative content and methods for IGLC leadership development modules and programs. Elizabeth has over written 20 case studies, six of which won top case writing awards. She has co-authored or authored 25 articles, working papers and book chapters, and co-authored five books on leadership and family business topics. She holds degrees in Sociology (BA), Organizational Development (MA), and a Diploma in Clinical Organizational Psychology (INSEAD, magna cum laude).
