3 of 3 people found the following review helpful. Good book, logical and PowerfulBy Tony ShermanAs I read this, I started to think, oh no, nothing new here, heard all this before. Then I realised that as I finished each section I was taking notes, building out action plans, and moving myself forward. The book was doing what it said - coaching me. I was taking action.If you have never come across this stuff before you will find this rocket fuel for you life. If you have, it is still high octane, valuable stuff, not new but valuable.0 of 0 people found the following review helpful. Great book!!! Although written in 2005, the content is as relevant today as 9 years ago. I've already implemented several suggestions that increased my network and effectiveness in pursuing my goals.

As one of the world's most sought-after personal coaches, Brian Tracy has helped transform the lives and careers of countless individuals, unlocking the secrets to greater wealth, professional success, and immeasurable happiness. Now, you can experience firsthand the incredible power of Brian's coaching in your own career and life. TurboCoach gives you an array of tools and exercises to help you develop and implement your own personal strategic plan that will quickly take you as far as you want to go. Each chapter begins with questions to ask yourself, and ends with an application exercise that helps you put your answers to work. You'll learn more than you thought possible about: Yourself. Pinpoint your values, vision, mission, purpose, and goals, and identify the knowledge, skills, habits, and activities you must undertake to excel. Your field. Study your competition, know your customers, use your strengths, and remove critical constraints to success. Your productivity. Leverage the power of delegation, and learn the Eleven Keys to Increasing Your Productivity. Your business. Do more than just meet or exceed expectations -- delight and amaze your customers. Create a powerful marketing plan and a personal brand, increase revenues seven different ways, and maximize your profits. TurboCoach shows you how to put all of these approaches to work for you, no matter what sort of business yours is. Best of all, Brian reveals how to maximize the return on your newfound productivity by freeing up more time to spend on what really matters -- the people and activities you love. TurboCoach is filled with examples of Brian's techniques in action, such as the woman who, simply by concentrating on her highest-value activities, was able to: (1) save herself \$55 dollars per day in expenses; (2) create two more productive hours per day; and (3) double her income in 10 months! Powerful, proven, and universal, the personal strategic plan in TurboCoach will help you excel in your work, reap incredible financial rewards, and find satisfaction and joy in your career and your life!
