Harvey Sawler : Twenty-First Century Irvings before purchasing it in order to gauge whether or not it would be worth my time, and all praised Twenty-First Century Irvings:

Three generations after the Irving family arrived in Canada from Scotland, the name K. C. Irving hit the Forbes top billionaires list, making K. C. one of the richest men in the world and the most powerful businessperson in Canada. But there is much more to the Irving story than the fascinating and brilliant K. C. and his immediate legacy. Twenty-first Century Irvings takes a careful look at both the family foundations upon which this empire was built and the dozen or more individuals who, in the twenty-first century, constitute the future of this important business family. A business story, a family story, and a Maritime story, Twenty-first Century Irvings is a book for anyone interested in or affected by the legendary Irvings of New Brunswick. This new edition includes an afterword from the author about recent

developments in the Irving family business.

About the Author Harvey Sawler is a well-known Canadian tourism consultant and the author of seven books, including the non-fiction works *Last Canadian Beer: The Moosehead Story* and *Frank McKenna: Beyond Politics*. Born and raised in Hamilton, Ontario, Harvey has spent most of his life in Atlantic Canada and lives at Bellevue Cove, Prince Edward Island, with his partner, Charlotte Stewart.
