Stacie L. Pettyjohn : U.S. Global Defense Posture, 1783-2011 before purchasing it in order to gage whether or not it would be worth my time, and all praised U.S. Global Defense Posture, 1783-2011:

This monograph describes the evolution of the U.S. global defense posture from 1783 to the present as the nation grew from a relatively weak and insular regional power into the preeminent global power. As new and unpredictable threats emerge, alliance relationships are revised, and resources decline, past efforts at dealing with similar problems yield

important lessons for future decisions.
