Hindsight ndash; Personal Perspectives on Success ndash; Looking Back - As seen through the Rear View MirrorBy Richard R. BlakeIn Idquo;The Ultimate

Hindsight,rdquo; New York Times Bestselling Author Jim Stovall has compiled compelling observations on success taken from personal interviews and correspondence with 100 super achievers, men and women recognized for their successful career accomplishments in the fields of entertainment, sports, business, medicine, law, the military, education, and religion; as well as everyday heroes who have become overcomers, meeting lifersquo;s challenges, and coming out on top. In his interviews and correspondence Stovall asked for insight from his respondents in answer to questions of this nature: What are your thoughts on hindsight and what you learned from it that helped lead to your success? What is your viewpoint of success? What does success and happiness mean to you personally? And what do you want to be remembered for? I was deeply moved by many of the stories that accompanied these responses and how unique influences, experiences, and circumstances the established the life patterns and habits that determined the direction behind each success story. In the process of reading the book, I noted there were various combinations of core values appearing within three or more responses. I began to filter these through my own set of values, goals, and the things that give me a sense of accomplishment, and satisfaction, that in turn make a contribution to others. Some of these are pursuits that have already become important to me. Others I want to incorporate as additional foundation stones in my own appraisal of success. A passion for following my dreams, making the most of the moment, and enjoying the journey are all noble goals to pursue. Add to this perseverance, a positive attitude, a persistent faith, and enthusiasm for hard work. Other guidelines include: keep your priorities in order, make a difference, impact others, keep learning from life, obey God and count your blessings. I would like to be remembered as a man of character, integrity, generous, humble and compassionate Jim Stovall's life models the lessons he has learned from his association with these leaders and influencers. Readers of all stages in life, and career fields, or those experiencing unique difficulties and circumnutates will be challenged, inspired, and motivated to learn from the ldquo;Ultimate Hindsightrdquo; and wisdom from Jim Stovall's ldquo;100 super achievers.rdqquo; A complimentary copy of this book was received for review purposes. In his latest release, Ultimate Hindsight, Jim Stovall packages a wealth of success tips and hindsight perspective from 100 leaders and superstars from all walks of life. nbsp;Containing rare interviews with industry celebrities such as Zig Ziglar and Nido Qubein, Stovall's compilation offers an even wider range of mountain-top perspective by including conversations with entertainment giants such as Frank Sinatra and Barbra Streisand, business leaders Donald Trump and Steve Forbes, and many more. By reading and following the collected wisdom of those who have reached massive levels of success, you can put together your own roadmap to achieving your goals and dreams. "If you want to know how to get to the top of the mountain, don't ask someone standing in the valley gazing idly at the summit. Ask someone who has been to the top or resides there now." -from Introduction

"Jim Stovall is one of the most remarkable and inspiring individuals of this age-or any age. His example of doing good and great things in the face of what others would consider to be debilitating challenges is uplifting and inspiring." - Steve Forbes nbsp; "When Jim Stovall, through his business, makes his movies such as The Ultimate Gift accessible both as a premiere theatrical and DVD movie, as well as part of a school curriculum, he improves the lives of young and old alike." -Donald J. Trump nbsp; "I have long been a fan of Jim Stovall's work for blind people around the world through his company Narrative Television Network. His work stands as a symbol of the good that can happen when people believe in helping one another and strive to make a difference." -Ted Turner
