Institute of Leadership Management : Understanding Finance (ILM Super Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Understanding Finance (ILM Super Series):

With forty well structured and easy to follow topics to choose from, each workbook has a wide range of case studies, questions and activities to meet both an individual or organization's training needs. Whether studying for an ILM qualification or looking to enhance the skills of your employees, Super Series provides essential solutions, frameworks and techniques to support management and leadership development.
