Lauren Lucien : University Life: Making it Work for You (Palgrave Student to Student) before purchasing it in order to gage whether or not it would be worth my time, and all praised University Life: Making it Work for You (Palgrave Student to Student):

'Hello and welcome to the start of your university life. I'm Lauren and I wrote this book as a student. Now that uni is more expensive than ever it's essential to have a guide that'll help you through sticky situations, learn how to study well and have fun at the same time - because I think we should be getting the most we can for our money. Hope you

enjoy reading it and starting your new life as a student! Lauren Lucien Creative Writing with English Literature graduate, Kingston University, UK Make university life work for you with the most up-to-date guide to student life. Do you want to know: what it is really like when you start uni and what you should take with you; how to successfully tackle assignments and manage exams; what to eat, the best way to budget your money, and how to keep yourself healthy; how to make the most out of your time in higher education; With masses of tips and inside stories from fellow students, you'll get first-hand, genuine information on what being a student is really like.

'I really enjoyed this book. It was personal and insightful and I could have done with reading it before I came to university. It was clear that it was written by students but that just made it more fun and easygoing.' - Ellie Shipton, first year student at the University of Exeter, UK
'I believe this will be a very helpful guide for any student about to start university life. It covers everything I would have needed help with when I started, and is friendly, easy to follow and full of handy tips. - Jack Oliver, Archaeology student
'I would definitely buy this book as a student. For me, I might actually treat it like a comfort blanket. The author has a very reassuring voice and the advice is good advice!' - Elena Villarreal, International Relations student
'Making 'university life' comprehensible and digestible cannot have been an easy task, yet Lucien tackled the challenge head-on by making her words enjoyable yet informative... At a time when tuition fees could put many students off higher education altogether, reading a book like this will help them make a well-informed decision over the matter, as well as giving them helpful hints on being a student in general.' - The Boar (University of Warwick's Student Newspaper)
