Chris M. Mellen, Frank C. Evans : Valuation for MA: Building Value in Private Companies (Wiley Finance)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Valuation for MA: Building Value in Private Companies (Wiley Finance):

Discover the tools necessary to determine what your company's value is, what drives its value, and how to enhance

that value during an MA transaction. The only book to focus on valuation specifically for mergers and acquisitions, *Valuation For MA: Building Value in Private Companies, Second Edition* lays out the steps for measuring and managing value creation in privately held businesses. This groundbreaking work led directly to authors Chris M. Mellen and Franck C. Evans being named the joint 2010 AMAA Middle Market Thought Leader of the Year by the Alliance of Merger Acquisition Advisors, and its thorough overview of the subject: Recognizes a company as an investment and explains how to manage that value to maximize shareholder returns, focusing on returns, risks, and capital invested
