Krishna Srinivasan, Erich Spitaull;ller, M. Braulke, Christian B. Mulder, Hisanobu Shishido, Kenneth M. Miranda, John Dodsworth, Keon Lee : Vietnam: Transition to a Market Economy (Occasional Paper (Intl Monetary Fund)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Vietnam: Transition to a Market Economy (Occasional Paper (Intl Monetary Fund)):

The paper explores the pattern of transition of the Vietnamese economy, the policies that were applied, and the reasons for the country's success. In particular, it focuses on output performance; state-owned enterprises; foreign direct investment; determinants of inflation; dollarization and problems of economic management; international integration

and exchange rate policy; growth and diversification of trade, trade reform, exchange reform, and exchange rate policy.
