Breaking The Professional Glass CeilingBy Stella CarrierWicked Success is Inside Every Woman by Vickie Milazzo is a great audiobook that was gifted to me by my mother-in-law. It is a compelling pick yourself up by your bootstraps type of book and gives healing advice such as asking people in their 40rsquo;s and older (such as people in their 80rsquo;s) on what they would do if they could do it all over again.4 of 4 people found the following review helpful.
