I don't regret buying it to have on my shelf but I don't know if I would hesitate to loan it out and potentially not get it back.1 of 7 people found the following review helpful. .By Christy Leigh StewartOkay, I don't work in a board room so I might not be the best judge here...but I didn't enjoy this. I was looking for something with an original take on magic for practical use but what it

was, was a 101 lesson for those who might be too wary to use magick in their professional lives or those who don't know what magick really is. 0 of 4 people found the following review helpful. Thumbs downBy jabbar wesleyRidiculous
