**Sheila H. Akabas, Paul A. Kurzman : Work and the Workplace: A Resource for Innovative Policy and Practice (Foundations of Social Work Knowledge Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Work and the Workplace: A Resource for Innovative Policy and Practice (Foundations of Social Work Knowledge Series):

0 of 0 people found the following review helpful. Five StarsBy JacobGreat textbook!

-- Lawrence S. Root, professor at the School of Social Work and director of the Institute of Labor and Industrial Relations at the University of Michigan

"This book is an outstanding resource... [for those] who are interested in improving the well being of workers, work organizations and communities." -- Michal Mor Barak, *Journal of Sociology and Social Welfare*"Well-informed and authoritative... This is an excellent text and will serve as a valuable guide." -- R. Paul Maiden, *Journal of Teaching in Social Work*"A comprehensive assessment of the role of social work in the workplace." -- Margaret Fietz, *CASW Bulletin*"Doctors Akabas and Kurzman have written a comprehensive text that effectively defines current Occupational Social Work practice. This book successfully discusses today's world of work and will focus the student and practitioner in all social work settings on the opportunities to use our professional skills and values to impact the lives of workers and the policies that exist in today's complex work place. It is the author's contention that this field of Social Work plays a vital positive role in the changing nature of the workplace environment." -- Roslyn Yasser, senior vice president for project management, HIP Health Plan of New York

About the Author  
Sheila H. Akabas is a professor at the Columbia University School of Social Work, director of the Center for Social Policy and Practice in the Workplace, and chair of both the World of Work as a Field of Practice and the Social Enterprise Administration as a Method of Practice.  
Paul A. Kurzman is a professor at the Hunter College School of Social Work and at the Graduate School and University Center of the City University of New York. He is chair of the School's Work, Employment, and Rehabilitation Specialization and past president of the New York City Chapter of the National Association of Social Workers.  
The authors are also the coeditors of *Work, Workers, and Work Organizations: A View from Social Work and Work and Well-Being: The Occupational Social Work Advantage*.
