From Palgrave Macmillan : Workers and Labour in a Globalised Capitalism: Contemporary Themes and Theoretical Issues (Management, Work and Organisations) before purchasing it in order to gage whether or not it would be worth my time, and all praised Workers and Labour in a Globalised Capitalism: Contemporary Themes and

Theoretical Issues (Management, Work and Organisations):

An introduction to work and society for undergraduate and postgraduate students. This new text brings together international experts on work and employment from a range of disciplines to debate key themes and issues related to work in a globalised economy.
