Douglas S. Massey, Joaquin Arango, Graeme Hugo, Ali Kouaouci, Adela Pellegrino, J. Edward Taylor : Worlds in Motion: Understanding International Migration at the End of the Millennium (International Studies in Demography) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Worlds in Motion: Understanding International Migration at the End of the Millennium (International Studies in

Demography):

By applying systematic theoretical frameworks to detailed empirical data, *Worlds in Motion* provides a unique overview of not only where migration occurs, and how it works, but crucially details the major factors that influence international population movement.
