Debra R. Hopkins : You Can Pass the CPA Exam: Get Motivated! before purchasing it in order to gage whether or not it would be worth my time, and all praised You Can Pass the CPA Exam: Get Motivated!:

1 of 1 people found the following review helpful. Good BookBy Cathy HealeyThis book has a lot of good advice and tips for passing the CPA. I think it will help me pass.0 of 0 people found the following review helpful. Lolz.... Back when the day that ...By darkroeijLolz....Back when the day that i thought i'd be a CPA.5 of 5 people found the following review helpful. Good resource, a little outdatedBy Leslie B.I am about 3 quarters through this book. I plan on sitting for my first section in July. The book was obviously written just as the computer based version began... The book eludes to some things that may have changed in 2005 with the exam. This book is not for someone who has

already mapped out a plan for studying. Although some of it is redundant and obvious. I have found some information to be valuable. I think it was worth the price.

Each year, over 120,000 CPA exam candidates continue to attempt to pass the CPA exam. It is a stressful event in the life of an accountant, and the stress goes beyond just the knowledge and the exam itself because of the high percentage (85%), of first time students who fail. This book discusses what really happens at the CPA exam and how the candidate can better control the outcome. It provides the expert guidance on the techniques needed to pass today's CPA exam.

From the Back CoverThe reliable training guide to understand, prepare for, and successfully complete the new computerized CPA Exam Historically, eighty-five percent of first-time CPA Exam takers have not passed the test to receive their certification. To substantially increase your probability of achieving this coveted distinction, you will need to know the test as well as you know the material. Take control of your success with the updated Second Edition of *You Can Pass the CPA Exam: Get Motivated!* This ultimate Exam coach is fully updated to prepare you for the new computerized Exam, complete with guidance for customizing your own study plan and detailed tips for tackling every question.
