is so crammed in and disorganized that the book is almost unreadable. I was distracted by my mental editing and also became impatient by the lack of clarity, constantly feeling like I was missing something. My guess is that the author editing this book herself, which is an easy mistake to make. It always pays to get a second set of eyes on your work. 19 of 21 people found the following review helpful. Feel Like Promotion For 1st Book By Aalea I lost count how many times Janine Driver refers the reader back to her first book giving the impression it was good and this follow up was to capitalize on it. I didn't find any new information, it was difficult to follow because she writes like she talks, as if you already know what the information is. There are many other books available that can teach you how to detect a liar or to watch for certain body language..choose any one of them and you'll be way ahead of anything gleaned from this book. I really wanted to like it because Driver can be an entertaining panel guest on cable TV but I just couldn't. 0 of 0 people found the following review helpful. Develop your instincts and become a human lie detector. By Jerry H You're instincts are good and you can read people pretty well. You "just know" when sometimes lying, right? Take those skills from basic to FBI-level. Learn more about a liar's body language, speech patterns, and even interrogation techniques. A great book and an easy read.

Janine Driver was trained as a lie detection expert for the ATF, FBI, and the CIA and is a New York Times bestselling author (*You Say More Than You Think*). Now she makes a powerful and incontrovertible declaration: *You Can't Lie to Me*. Driver, who is known in professional circles as "the Lyin' Tamerr"; and has demonstrated her world-renowned expertise on such programs as *The Today Show*, *The Dr. Oz Show*, and *Nancy Grace*; now offers readers essential tools that will enable them to detect deceptions, recognize a liar, and ultimately improve their lives. For readers of *Never Be Lied to Again* by David Lieberman and anyone worried about the possibility of cheating partners, devious co-workers, lying employees, or ubiquitous con men, *You Can't Lie to Me* will help you uncover the truth in any situation while giving you the skills you need to keep yourself happy, your family safe, and your business protected.

"There are only a few times in life that we cross paths with someone who truly impacts us. Meeting and training under Janine Driver was one of those times for me. If you want to learn about body language and detecting deception, pay close attention to Janine and her methods." (Jim Williams, Chief of Police, Staunton (Virginia) Police Department) "You Can't Lie To Me is a must read for everyone who wants to understand how to decode people's actions and be successful in spotting deception." (Margaret Moore, President of Women in Federal Law Enforcement Foundation (WIFLE)) "Janine Driver has the gift for teaching and once again she has made detecting deception fun, interesting, and worthwhile." (Joe Navarro, Author of the international bestseller, *What Every Body Is Saying*) "My last decade would have been less stressful and more productive if I would have had *You Can't Lie to Me* available. The effectiveness of your personal and professional communications will soar after reading *You Can't Lie to Me*." (Kathy B. Trahan, President/CEO, Alliance Safety Council) "A lie detection expert for the FBI, CIA, and ATF shares the tricks of the trade in this helpful, easy-to-digest guide to spotting deception in our daily lives. Driver's formula is well explained and promises powerful results." (Publishers Weekly) "You Can't Lie to Me provides an entertaining and stunning look at how we often miss the tell-tale signs of deception. Buy this book now before you say 'yes' to one more person!" (Aaron Brehove, Fraud Investigator and Author of *Knack Book of Body Language*) "You Can't Lie to Me is wrought with humor and absolute transparency as Driver tackles integrity in the workplace, safety in relationships, and down-home honesty. I love the B.S.* Barometer. I'm recommending this second book as required reading for our entire staff!" (Mick Woolsey, Director of Training, Utah Foster Care Foundation) From the Back Cover In *You Can't Lie to Me*, learn how to perfect your inner lie detector ("BS Barometer") and ban liars from your life so you can feel more confident and create stronger, more trusting relationships. Lie detection expert Janine Driver delivers a step-by-step, foolproof program to: Outsmart disloyal coworkers and beat them to the plum promotions Protect your children from predators and guard aging loved ones and their nest eggs from unscrupulous con artists Hire honest employees whose reactions and experience you can trust Say yes to honest partners and avoid lying cheaters Get your boss's attention with these little tips Save thousands of dollars each year using rich people's #1 trick About the Author Janine Driver is a world-renowned human lie detector whose New York Times bestseller *You Say More Than You Think* has been translated into fourteen languages. She has appeared on HLN's *Dr. Drew On Call*, *The Today Show*, and *The Dr. Oz Show* among many other media outlets. She lives in Alexandria, Virginia.
